Actions to strengthen the active participation of citizens in democratic processes in cooperation with Public Government Agencies and Non-Governmental Organizations.

Production and distribution of advertising and promotional material associated with the objective of the NPO.

Operational Capacity

“THREE THIRDS SOCIETY” is applying an Integrated Project Management System in accordance with the requirements of NSRF 2014 - 2020 for Greece.

The Project Management System, which is approved by the Board Members of 3/3 SOCIETY, is implemented through established management, control and implementation procedures, which are set out in the Guide of Project Management Capacity for the effective management of co-financed projects under NSRF 2014-2020.

The implementation of the Project Management System is based on documented (written) processes for functions of project planning and maturation - actions (project design and implementation), conducting tendering and procurement (procurement procedure), monitoring and certification of the physical object (certification of physical and financial project's subject), and financial management of projects implemented by 3/3 SOCIETY.

Cooperation Network

“THREE THIRDS SOCIETY (3TS)” considers cooperation as a necessary tool for development. Therefore, 3TS has developed partnerships with various stakeholders, being aware of the importance of every single pillar: Local Communities, Local Authorities, Associations, Federations and other organizations, Universities, Research Institutions, Cooperatives, private companies and individuals at national and international level, in a variety of market sectors such as Cultural & Creative Industry, Agri-food, Agri-farming Alternative Tourism, Energy etc.

Competences, experiences and expertise on Social Economy

THREE THIRDS SOCIETY has been active since 2010 in the field of Social Economy and Social Entrepreneurship and is a member of P.E.S.K.O. (Panhellenic Union of Social Economy Partnerships) and one of the main organizers of the 1st Open Conference of Civil Society for Social Economy that was organized in Athens in June 2016 in collaboration with the Panteion University. The organization has participated in projects promoting employment, entrepreneurship and especially social entrepreneurship almost throughout Greece (Attica, Peloponnese, Western Greece, Ionian Islands, Thessaly).

THREE THIRDS SOCIETY is a partner in two relevant projects implemented under Cross-Border Cooperation Programme "Greece-Albania 2014-2020 ("IDEA - Investment Development and Empowerment Action", "InClust -LOCAL CLUSTERS & SOCIAL ENTERPRISES INCUBATORS IN THE FIELDS OF CULTURE/TOURISM & FOLK TRADITION"). It has so far supported the creation of social enterprises in various sectors (food processing, health, education, manufacturing, culture, traditional products etc.) and has a plurality of members with high professional and academic specialization.

Thus, THREE THIRDS SOCIETY is characterized by:

- Know how in creating and supporting Social Enterprises
- Knowledge and experience in building Social Cooperatives amongst beneficiaries from vulnerable social groups
- Ability for disseminating ideas and results through a large network of civil society organizations and social enterprises
- Experience on social economy both on the field and on policy issues.

The non-profit Civil Society «THREE THIRDS SOCIETY», has extensive experience in supporting entrepreneurship and especially social entrepreneurship to achieve smart, sustainable and above all inclusive growth with emphasis on innovation and competitiveness e.g advisory, preparation of business plans, development of collaborative and centralized plans and business incubators in areas such as Agrotourism, Cultural Heritage, Creative Industries, Creative Care for the elderly, people with special needs etc.

At the same time, THREE THIRDS SOCIETY, provides free know-how and consulting services to non-profit legal entities governed by public law and private entities in order to manage and utilize as effectively as possible European and national resources towards sustainable development, employment growth and social inclusion of vulnerable social groups.

3/3 Society
